

Week #6: Earth Disasters Week

July 24 – July 28, 2017

Bible: MATTHEW 27: 50 – 54

Incredible things happen on Earth, and we're going to explore some of them:

 Tornadoes

 Mud Slides

 Earthquakes

 Ice Storms

 Avalanches

 We'll make models of each one of these

 Eat a mud slide and an avalanche

 Have an earthquake contest and tornado relay

 It will be a wild and crazy week!
